Acoustic Wave[®] Music System II

PREMIUM BACKLIT REMOTE

GETTING STARTED

Thank you

Thank you for purchasing the Premium Backlit Remote for use with your Bose® Acoustic Wave® music system II. We hope it adds to your enjoyment.

Carefully unpack the carton and save the packing materials for future use.

Installing batteries

Open the battery compartment by lifting the latch as shown below. Install the two supplied AAA (LR03) alkaline batteries, observing the + and – polarity markings in the compartment.

Using the stand

Your remote fits securely in its stand. You may operate the remote while in the stand, without pointing it directly at the Acoustic Wave® music system II.

Using the backlight

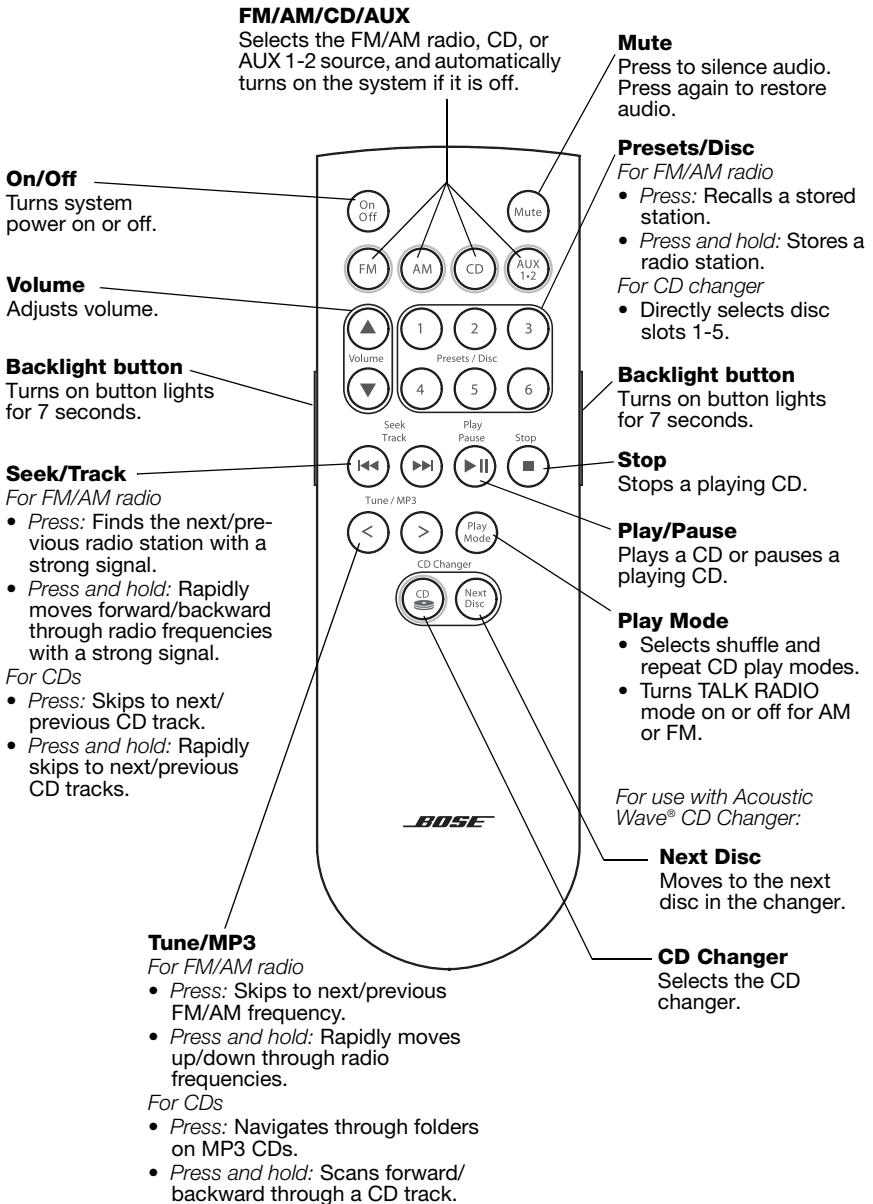

Press one or both of the backlight buttons to turn on the button lights for seven seconds. To extend the lighting for seven additional seconds, press any button.

Please dispose of used batteries properly, following any local regulations. Do not incinerate.
